EDUCATION

Education is one of the most important things in our lives. Don't you agree? It can make the difference between success and failure. An education can bring us knowledge and make us rich. In rich countries, people are lucky to have good schools. Children start learning from a very young age. They can further their education and go to higher education or university. In Japan, there are even private schools for babies to learn English. It's a shame that in many rich countries, many children don't want to learn. Perhaps schools need to find better ways to teach so children want to learn. It's sad that in many parts of the world, children want to learn but can't. Make sure you never stop learning. Education is the key to a better future.
