

# LISTENING

## STUDENTS

- Listen and take notes.

1. What do many students complain about?
2. Students never complain about lots of free time, not working and ....
3. When do students begin to understand how good their life is?
4. High school can be difficult because of bullying. What is another thing that makes high school difficult?
5. When does the fun life begin for students?
6. How many hours of class do college and university students have?
7. What does the man say you need if you want to study for many years?
