FAST FOOD

Do you like fast food? Lots of people complain about it but I think a lot of it's quite tasty – as long as you go to one of the international chains like McDonalds or Kentucky. I think in today's world, it's difficult to avoid eating in fast food restaurants. They are so convenient and seem to be everywhere. Of course they're not the same as real restaurants. I wonder if they are restaurants. There aren't any waiters. Anyway, the most important thing to remember about fast food is that it isn't so healthy. People who eat it every day develop health problems. I don't understand why schools serve fast food during lunch time. Schools should encourage students to eat healthily. If you have time, look at a website on slow food.
